RE: Global Water aka Willow Valley Water Company, Recent Rate Increase and Other Charges
Decision No. 71878

Dear Commissioner:

I am enclosing the following documents:

1. Copy of my letter to you dated November 9, 2010, to which I have not received a response to.
2. Petition to stop and reverse Willow Valley Water aka Global Water Rate Increase:

No. of pages with 11 signatures each: 37 pages = 407 signatures

No. of pages with 10 signatures each: 2 pages = 20 signatures

No. of pages with 9 signatures each: 1 page = 9 signatures

No. of pages with 5 signatures each: 2 pages = 10 signatures

TOTAL SIGNATURES TO DATE: 446 SIGNATURES

Please take this into consideration, and keep in mind that the majority of residents are weekenders, therefore their signatures are difficult to obtain.

We are being ripped off, and it needs to stop immediately, especially during these difficult times when the economy is down and people are finding it difficult just to exist.

We look forward to your immediate response.

Sincerely,

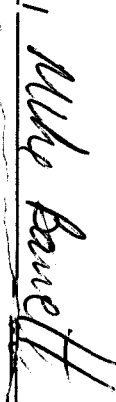

Charlene Sanders
